We have already awarded \$80,000 in research grants

Since 2017, we have funded POTS research teams in Canada, Germany, Sweden, and the United States!

Help us reach our \$20,000 goal

100% of the proceeds will fund research to improve the quality of life for those living with postural orthostatic tachycardia syndrome (POTS) right now

Standing Up to POTS is winning awards!

NeuroConnect Summit, Washington, D.C., May 2019

We won:

- Warrior Award
- Rising Star Award

WEGO Health Awards, Las Vegas, October 2019

Nominated for:

- Best Team Performance
- Advocacy for Others
